Inspection of Lebad-Jaora Road has been inspected on dated 03.09.2019 along with Shri Nitin Agrawal Concessionaire representative. It is found that at km 39+000-20m., 38+800-60m. 34+950-40m. 34+100-70m., 32+100-40m, 30+500-40, 30+400-20m, 25+600 to 25+800-200m, in RHS carriageway have been found damaged. It is also found that some pot holes have been occurred in km. 25 to 40 in RHS carriage way. However WMM patch work was going on with three teams, which needs to be expedited by deploying additional two teams. Cold mix patch work was also being done, needs to be expedited so that the road may be kept pot hole free all the time.

You are requested to plan patch repair immediately by bituminous material as the climate open, till then maintain the road by WMM in rainy season speedily and regularly to ensure safe traffic movement. Start the overlay work immediately after rainy season.
