Sub:- Setting up of new ESI Hospital at Panna, District-Panna-regarding.

Sir,

I am directed to refer to your letter No. 478/545/2020/B-16 dated 26/09/2020 on the above mentioned subject and to inform you that as per ESIC norms, minimum 20,000 IPs are required for setting up of 30 bedded hospital and there should be no ESIC/ESIS Hospital within the radius of 25 km.

In the instant case, the present IP population in the catchment area of Panna District is only 121 and 1111 in Chhatarpur. ^{Dim.} Based on ESIC norms/IP population, proposal for setting up of new ESI Hospital at Panna District is not feasible.

This issues with the approval of Competent Authority.

भवदीय,

21/11
